Digital Skills

Our Digital Skills courses can give you both recognised IT qualifications that employers are looking for, and useful skills for everyday life.

Visit our website

www.GoLearnLeicestershire.ac.uk

We offer everything from Digital Functional Skills qualifications, designed for absolute beginners through to Level 2 certification.

If you are looking to learn IT skills for everyday life, we have a range of introductory courses which are perfect for absolute beginners... and those looking to gain a little more confidence.

We also offer a range of specialist IT courses, perfect to boost your skills at work, or simply to discover a new hobby!

Digital Skills Qualifications

On our accredited courses you will be working towards a recognised qualification ranging from Entry Level to Level 2. Before enrolling on one of our accredited courses, you will need to complete a short online assessment which will help us gauge your current working level, and ensure you are matched to a course which is suitable for you.

Course	No. of Weeks	Hours per week	Online	Classroom Based
